

****PERFORMER CALL OUT ****

Would you like to perform as a puppeteer to bring to life one of our Giant Puppets?

We are currently recruiting performers to increase our network of associate freelance and trainee artists for events across the UK.

If you are interested in becoming one of our puppeteers and have experience in performance (dance/theatre/movement/stilts/Carnival/circus etc), and up for a creative challenge, then we want to hear from you!

Training will be provided as part of a short audition process at our studio in Mossley, Tameside. We are particularly keen to hear from local performers who would like to join us for Tameside Winter Carnival on the 18th November.

Many of our puppets are over 3.5m tall and often performed outside at site specific events in all weather. Performers must be strong, agile and committed.

We will look forward to hearing more about you via email at hello@globalgrooves.org
